Housing Loan Service

In case you are interested to apply for housing loan service, we are pleased to facilitate the Bank on your behalf. The major banks that provide special conditions for our customers are

- Siam Commercial Bank (www.scb.co.th/th/personal-banking/loans/home-loan/home-builder)
- Government Housing Bank (www.ghbank.co.th/product/loan)
- Bank of Ayudhaya (www.krungsri.com/th/personal/loans/home-loans/home-construction)

The basic conditions for housing loan are:

1. The land must be free from any mortgage. In case there are co-owners, the co-owners must sign the letter of consent.
2. Land and building must be mortgaged to the bank. The owner must buy fire insurance policy with the insurer recommended by the bank.
3. Your monthly income (include your spouse) should be 2 times of the amount to be paid to the bank. For example, if the amount to be paid monthly is 10,000 baht, your monthly income should be 20,000 baht (approximately).

Apply for house building service

If you decide to have the company build your house, the Application form for house building service should be filled and submitted. Detail as follow:

No	House Price	Advance payment (Baht)
1	House price not exceed 2 million baht	30,000
2	House price more than 2 million baht but not exceed 5 million baht	50,000
3	House price more than 5 million baht	100,000
4	Customers' own house design	3% (not exceed 100,000 baht)

Documents needed

1.	4 copies of Title Deed with verified signature (the same size of original copy)
2.	4 copies of ID card and house registration with verified signature
3.	A copy of tax payment receipt with verified signature

Our survey officer will survey the land and the access road to the land to mark the lay out. If the construction site cannot be accessed due to too narrow road, the advanced payment will be refunded

Contract Signing

When the land survey result, the list of standard materials and the house plan are agreed, the contract must be signed so the company can proceed for the construction permit.

The advance payment will be refunded on the day the contract is signed.

If there is any additional construction made after the contract is signed, the company will propose the quotation and the payment must be made before the additional construction starts. The duration of construction dated from the day the contract is signed and the payment for the signing contract installment is fully paid. (The piles driving work will start after the contract signing 45-60 days approximately.)

Duration of construction for Pre-fabrication & Multi-Joint Lock System

(since contract signing date)

No	House Price	Duration of construction
1	House price not exceed 2 million baht	8-9 months
2	House price from 2 million baht but not exceed 4 million baht	10-12 months
3	House price from 4 million baht but not exceed 6 million baht	13-14 months
4	House price from 6 million baht but not exceed 10 million baht	15-18 months
5	House price exceed 10 million baht	More than 18 months
